

## Deposit Information & Waitlist

All of our puppies come with a strict Spay/Neuter Contract and a 1 year Health Guarantee. If you would like to purchase a puppy, we require a \$500.00 non-refundable deposit to reserve the chosen puppy.

Our waiting list is \$100, which will be deducted from the total amount of the puppy. As of right now we are only taking 3 spots on our waiting list as we cannot guarantee litter sizes or pregnancy guarantee. The order in which the pre-deposit is received will go in the order of puppy pick date at 2 weeks. Then the remaining puppies will be listed as available. This list will not be listed online for privacy reasons but will be sent to the 3 pre-deposit holders and updates will be given along with a written contract. The pre-deposit and master list deposit are NON-REFUNDABLE, unless something happens to the puppy or if a year as gone by without birthing any puppies.

If you are interested in purchasing a puppy for breeding purposes, please contact us prior to sending an application to discuss our breeding policy and contract.

We will contact you by phone, text or e-mail, so please keep your contact information current. We ask that you respond within 72 hours with your puppy selection. If you do not respond, we will move on to the next person on the deposit list. Everyone is anxious to choose their puppy, so please make note of the timing for the adoption date. You may remain on the master list until you choose your puppy. If you pass on any litter and prices change before the next chance to choose, you will be charged the new price.

Full payment, along with any shipping or transport fees must be paid within 3 days of choosing your puppy. No payments will be accepted on puppy pick-up day unless prior arrangements have been made. Puppies will be ready for their new home at 8 weeks of age. We will keep your puppy through the normal pick-up week without any additional charge. After 7 days, a \$20.00 boarding fee per day and any additional vaccinations will be charged. This will cover the additional health visit before the new pick update. This must be arranged prior to the initial pick up date. If no communication or lack of response to schedule a puppy pick up date and not picked up within the week then you default your puppy and deposit will be kept.
