

Here are a few Products we love!!!

- Natural Groomer Tearless Shampoo, Ear Cleaner and Perfume/Cologne, found online
- Whimzee Brand Chews, make sure to limit these as a treat chew only! They are edible. 2x weekly is what we do. These are great for cleaning teeth of all ages
- Buck Bones are long lasting chews, pig ears, and natural sheds or deer, goats. I know this sounds gross but are really beneficial and will keep your furniture safe ☐
- Purina FortiFlora is our favorite probiotic. Upset tummies can be cause from all kinds of things. Feel free to send me pictures if your unsure a vet visit is needed.
- Vitamins(Well&Good, Zesty Paws, and Nuvet) these are Essential!!!!!!!
- We love enrichment toys. Amazon has a ton...
- You Definitely will need nail clippers, trim weekly while puppy stage and monthly once adolescence
- Children's Benadryl Liquid- keep on handy incase of reaction, 1mg per pound
- Dog cot on amazon for inside or out. King Charles love to be above ground. This can help save their knees from excessive jumping on couches, picnic table, ect
- TONS of TOYS. We try not to buy stuffed or anything that has button eyes. They will be destroyed and nothing scarier than coming home and wondering if they digested anything
